

Grady Gazette Monthly Newsletter

October 2022

Dear Grady Families,

We are proud to share that each month we will share Grady Happenings and grade-level highlights. This month our students concluded Hispanic Heritage Month with our partners from One World by conducting a global connection between Escola Nicolas Sojos de Ecuador (Cuenca, Ecuador), and Centro Educativo Años Maravillosos (CEAM) (Guerrero, Mexico).

Students discussed and shared their different intersecting cultures and traditions, sharing their presentations about who they are and important cultures and traditions in English and Spanish through our One World Lesson Series: Cultures and Traditions. Escola Nicola Sojos students showed a dance that displayed the different regions, foods, music, and traditional dress of the different regions of Ecuador. We would like to thank Mr. Joe Carvin, Ms. Ana Naulaguari, and Ms. Lindsey Pockl for putting this celebration together.

Our Regeneron Day of Doing Good Celebration took place on Friday, October 22, and students at every grade level put their engineering and creative designs to the test using Keva Blocks. Thank you to our partners at Volunteer New York and Regeneron for spending the day building dreams at Grady. (pictures below)

Upcoming Events
